- A booking fee of \$_____ of the above fee is payable with this contract and the balance of \$_____, plus all unpaid expenses will be payable upon receipt of an invoice or when a mare leaves farm, which ever is first. The breeder requires 48 hours notice when the Mare Owner wishes to remove his mare(s) from the farm; this will allow time to prepare the final statement so the Owner may settle his account. The booking fee is non-refundable. 18% interest per annum will be charged on all accounts in excess of thirty days. This contract is governed by the laws of South Dakota.
 - No Mare shall be serviced until receipt of completed, signed contract, booking fee, and a PHOTOSTAT COPY OF REGISTRATION PAPERS is in the hands of Lincoln Stables.
 - Six months valid (EIA) Coggins from date of arrival must accompany out of state mare.
- Mare (and foal), if applicable will be periodically vaccinated and wormed as deemed necessary by our veterinarian at Mare Owners expense. Flu and Pneumobort K vaccine must be given before the mare arrives. It is recommended that mares be wormed 60 days of entering the farm.
- The Mare Owner shall agree that each mare offered for breeding shall be in sound breeding condition and free from infection or disease. Any mare certified by the attending veterinarian not to be, in his opinion, in sound breeding condition shall not be bred. A Mare Owner may substitute another mare within that breeding season.
- The breeder agrees to diligently try and settle the above mare and shall have sole discretion of determining the best method of breeding such mare. If, however, the mare does not settle, the breeder shall be held harmless. There will be no guarantee of a live foal of any mare leaving Lincoln Stables before being checked safe in foal by attending veterinarian.
- Live Foal Guarantee: Live foal means the foal shall stand and nurse. It is understood that if the mare proves barren, aborts her foal, or if the foal is stillborn, a season return will be guaranteed the following breeding season only, providing notification is given. A rebreed service charge of \$150.00 will apply. Proper notification shall be defined as follows: Written certification by a licensed veterinarian within seven days that the mare has slipped or produced a non-viable foal. Mare owner certifies that such abortion of death did not result from any act or omission of the owner subsequent to the mare's departure from breeder's farm. Booster rhinopneumonitis vaccinations must be administered as indicated by the individual drug manufacturer as the mare progresses through her pregnancy. Failure to do this will void live foal guarantee.
- The breeding season in force for this contract shall begin Feb. 1 and close July 1 of the year covered by this contract.
- It is furthered agreed that should the above named stallion die or become unfit for service or, if the above named mare dies, during the breeding season the Mare Owner may substitute another mare or breed to another stallion on the farm that is agreed by both the Mare Owner and Breeder.
- A breeder's certificate will be issued to Mare Owner after all expenses have been paid in full and upon notification of the birth of the foal.
- Waiver of Liability: It is understood that the breeding farm; its owners, employees, veterinarians, and guests shall not be liable for any injury, escape, disability, or death of any horse on its premises. The above named Mare Owner whose horse(s) are under the care of Lincoln Stables will not be liable or responsible for any damage, injury, or death to the breeding farms stallions, employees, veterinarians, or other animals in the care of Lincoln Stables, whether or not caused by his horse.
- When the above named Mare Owner signs and returns on copy of this contract to the breeder, it will then be a binding contract, on both parties, subject to the above terms and conditions. This contract is not valid unless completed in full.
- Non-assignment: This contract cannot be transferred or assigned by the purchaser. There shall be no right of return to this stallion if the mare is sold or otherwise changes ownership after being serviced by the stallion.
